# Thank you for all you do.

As a CIMA academic partner, you deserve to be recognised for your efforts.

To make that happen, we've rolled out the CIMA Academic Partner Excellence Awards, which are custom-designed to acknowledge the various roles that you have played in the success of CIMA students and graduates, as well as give you visibility and standing as a premier CIMA partner.

The award categories are:

## CIMA Teaching Excellence Award

Recognises a CIMA subject lecturer who has demonstrated excellent engagement with CIMA students

## CIMA Research Excellence Award

Recognises landmark research efforts on a subject or topic related to the CIMA syllabus, such as accounting, digital finance, strategy and more

## CIMA Campus Culture Excellence Award

Recognises successful campaigns to create awareness and promote the CIMA professional qualification within campuses

## CIMA Employability Excellence Award

Recognises academic partners who actively promote employer involvement and engagement between CIMA students and industry partners in the profession

## CGMA Campus of the Year Award\*

This exclusive award recognises the partner that has the most prominent number of CIMA exams taken per university campus with above-average global pass rate and it is a campus where top CIMA students graduate from

## CIMA Global Excellence Award\*

Recognises academic partner institutions that achieve CIMA pass rates above the global average in the same calendar year

*\*Category is not open for nominations – a central CIMA committee confers the award and the eligibility is based on pass rates, which can be maximised by ensuring more students take their CIMA exams before graduation.*
