

# ARE YOU TECH-MINDED? BECOME A CPA.

"Technology is fundamentally transforming every aspect of how we accomplish our public accounting responsibilities and how we engage with clients."

— Joe Ucuzoglu, CEO, Deloitte

The **CPA license** is a globally recognized professional credential. When you're a CPA, employers understand you have the business knowledge and skills required to serve in many capacities.

The **Top 100 public accounting firms** are looking for graduates with knowledge in areas such as:

- Data analysis
- Information technology (IT) governance and enterprise risk management (ERM)
- IT controls and cybersecurity
- Systems and organization controls (SOC)
- Information process controls

**Take your technical knowledge** where your passion leads you.

**CPAs have the potential to boost their earnings** by \$3 million over a 40-year career.

Founded by AICPA and CIMA, the Association of International Certified Professional Accountants powers leaders in accounting and finance around the globe.
